

change in size in the horizontal direction (see, e.g., page 8, lines 8-10 and 21-24, and page 9, line 8 - page 14, line 3). Thus, a plurality of ratios may be used to describe the relationship between the size of the source image and the size of the device image. Accordingly, claims 1 and 14 are both clear and definite when read in light of the specification. Applicant respectfully requests withdrawal of the rejection.

In view of at least the foregoing, Applicant respectfully submits that this application is in condition for allowance. Applicant earnestly solicits favorable reconsideration and prompt allowance of the pending claims.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, Applicant invites the Examiner to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
